Big photo business in small space

Smart KioskGifts is the ideal solution for carrying out instant photo prints for businesses with little space but without losing any of the multiple options. Becomes a new and highly profitable business unit requiring very little investment.

Allows you to use multiple print sizes from 5x15 (2x6") to 20x30 (8x12")cm.

Photo print from mobile devices, PhotoID service and a reduced footprint helps your business to easily include a powerful Instant Photo Service that fits easily almost anywhere.

And also compatible with dual side printer CP-W5000DW (see the specific photo products)
