The Kiosk most complete solution

Available as a Counter Desktop unit, KIOSK121 brings a flexible performance that easily adapts to your in-shop needs.

With a comfortable 21.5” multitouch display, and a powerful hardware platform, includes a flexible-to-use cosmetics POS installation at convenience, for a nice look and attractive use from your customers.

Your customers can easily create, compose and edit photo products in your photo shop or photo printing department, in a very easy and fast manner, thanks to the advanced KIOSK software functionality.

Discover all the wide variety of products that KIOSK121 is offering to you, and deliver high end quality photo printing products to your customers.

Main features

// Counter Desktop reduced size

// Advanced KIOSK Software

// 21,5” multitouch display size

// Many photo products and printing formats

The KIOSK121 new POS concept
